BEFORE THE WASHINGTON STATE
EXECUTIVE ETHICS BOARD

In the Matter of:

[Redacted]
Respondent.

No. 01-05
STIPULATED FACTS,
CONCLUSIONS AND ORDER

I. STIPULATION

THIS STIPULATION is entered into under WAC 292-100-090(1) between the
Respondent, [Redacted] and Board Staff of the WASHINGTON STATE
EXECUTIVE ETHICS BOARD (Board) through BRIAN R. MALARKY, Executive Director.
The following stipulated facts, conclusions, and agreed order will be binding upon the parties if
fully executed, and if accepted by the Board without modification(s), and will not be binding if
rejected by the Board, or if the Respondent does not accept the Board’s proposed
modification(s), if any, to the stipulation.

Section 1: PROCEDURAL FACTS

1.1. On March 7, 2000, the Executive Ethics Board received a referral from the State
Auditor’s Office (SAO) alleging that [Redacted] an employee of the State of Washington,
Department of Transportation, Washington State Ferries (WSF), improperly received higher
wages when he submitted signed timesheets claiming captain’s wages while at the same time
signing the vessel logs as a mate. The Executive Ethics Board reviewed this referral and issued a

1.2. On July 11, 2003, upon receiving the Board staff’s investigative report and
recommendation, the Board made the determination that there was reasonable cause to believe
the [redacted] had committed one or more violations of chapter 42.52 RCW, and that the potential penalty was in excess of $500. The reasonable cause determination was based on alleged violations of RCW 42.52.070 and .160.

1.4. The Board is authorized under RCW 34.05.060 to establish procedures for attempting and executing informal settlement of matters in lieu of more formal proceedings under the Administrative Procedures Act, including adjudicative hearings. The Board has established such procedures under WAC 292-100-090.

1.5. [redacted] understands that if Board staff proves any or all of the alleged violations at a hearing, the Board may impose sanctions, including a civil penalty under RCW 42.52.480(1)(b) of up to $5,000, or the greater of three times the economic value of anything received or sought in violation of chapter 42.52 RCW, for each violation found. The Board may also order the payment of costs, including reasonable investigative costs, under RCW 42.52.480(1)(c).

1.6. [redacted] recognizes that the evidence available to the Board staff is such that the Board may conclude [redacted] violated the Ethics in Public Service Act even if he did so unintentionally. Therefore, in the interest of seeking an informal and expeditious resolution of this matter, the parties agree to entry of the stipulated findings of fact, conclusions of law and agreed order set forth below.

1.7. [redacted] waives the opportunity for a hearing, contingent upon acceptance of this stipulation by the Board, or his acceptance of any modification(s) proposed by the Board, pursuant to the provisions of WAC 292-100-090(2) which provides in part:

The board has the option of accepting, rejecting, or modifying the proposed stipulation or asking for additional facts to be presented. If the board accepts the stipulation or modifies the stipulation with the agreement of respondent, the board shall enter an order in conformity with the terms of the stipulation. If the board rejects the stipulation or respondent does not agree to the board's proposed
modification to the stipulation, the normal process will continue. The proposed stipulation and information obtained during formal settlement discussion shall not be admitted into evidence at a subsequent public hearing.

1.8. If the Board accepts this stipulation, the Board will release and discharge [REDACTED] from all further ethics proceedings under chapter 42.52 RCW for matters arising out of the facts contained in the complaint in this matter, subject to payment of the full amount of the civil penalty due and owing, any other costs imposed, and compliance with all other terms and conditions of the agreed order. [REDACTED] in turn agrees to release and discharge the Board, its officers, agents and employees from all claims, damages, and causes of action arising out of this complaint and this stipulation and agreed order.

1.9. If this Stipulation is accepted, this Stipulation and Order does not purport to settle any other claims between [REDACTED] and the Washington State Executive Ethics Board, the State of Washington, or other third party, which may be filed in the future.

1.10. If this Stipulation is accepted, this Stipulation and Order is enforceable under RCW 34.05.578 and any other applicable statutes or rules.

1.11. If the Board rejects this stipulation, or if [REDACTED] does not accept the Board’s proposed modification(s), if any, [REDACTED] waives any objection to participation at any subsequent hearing by any Board member to whom this stipulation was presented for approval under WAC 292-100-090(2). Further, [REDACTED] understands and agrees that this proposed stipulation and information obtained during any formal settlement discussions held between the parties shall not be admitted into evidence at a subsequent public hearing, unless otherwise agreed by the parties.

Section 2: FINDINGS OF FACT

2.1. When the complaint in this matter was filed, and at all times material hereto, Washington State Ferries employed [REDACTED] as a mate hired for seasonal help. [REDACTED] was a former captain with WSF and was retired at the time that he was called back as a seasonal worker.
2.2. WSF, through an agreement with the Masters, Mates, and Pilots (MM&P) union, rehires retired captains and mates when increased summer traffic creates a need for seasonal help.

2.3. The title captain and master are used interchangeably. The captain is entirely responsible for the operations of the vessel at all times. The captain has full authority and responsibility for maintaining discipline, safety, and efficiency of the personnel and equipment.

2.4. The chief mate is responsible for carrying out and enforcing all orders of the captain. The chief mate is licensed to navigate the vessel and is responsible for the safety of the crew and passengers while performing navigation duties under the direction and supervision of the captain. When the chief mate is navigating the vessel, he performs all of the tasks that the captain would perform.

2.5. A provision of the MM&P labor agreement allows a mate to receive captain’s wages under certain circumstances. If a mate has worked for seven days or more in any given work period as a captain, the mate will be paid at captain’s wages for the entire 80-hour work period.

2.6. [Redacted] asserts that before he accepted seasonal work in 1997, he was assured by WSF personnel that he would receive captain’s pay regardless of the position worked. Ethics Board staff were unable to verify this assertion.

2.7. [Redacted] was rehired as seasonal help during the summer of 1997. [Redacted] signed the vessel logs as a mate, but submitted his signed payroll timesheets claiming the higher captain’s wage during the 1997 summer season. [Redacted] asserts that he did this at the direction of WSF personnel. Board staff were unable to verify this assertion.

2.8. The SAO and Department of Transportation’s (DOT) Audit Office reviewed payroll records and vessel logs and determined that [Redacted] did not meet the criteria to be paid the captain’s wages.
2.9. [Redacted] time sheets were not countersigned by another deck officer, but were reviewed by DOT Operations Department staff, who did not identify the erroneous time sheet entries at the time.

Section 3: CONCLUSIONS OF LAW

3.1. Pursuant to chapter 42.52 RCW, the Executive Ethics Board has jurisdiction over and over the subject matter of this complaint.

3.2. Pursuant to WAC 292-100-090(1), the parties have the authority to resolve this matter under the terms contained herein, subject to Board approval.

3.3. The Ethics in Public Service Act prohibits state employee from using their position to secure special privileges for themselves and/or others. RCW 42.52.070 states:

Except as required to perform duties within the scope of employment, no state officer or state employee may use his or her position to secure special privileges or exemptions for himself or herself, or his or her spouse, child, parents, or other persons.

3.4. The Ethics in Public Service Act also governs the use of persons in an officer or employee’s official control or direction and the use of public resources to benefit others. RCW 42.52.160(1) states:

No state officer or state employee may employ or use any person, money, or property under the officer’s or employee’s official control or direction, or in his or her official custody, for the private benefit or gain of the officer, employee, or another.

3.5. Based on Findings of Fact 2.1 through 2.9, [Redacted] violated RCW 42.52.070 and RCW 42.52.160(1) when he signed the vessel logs as a mate and submitted payroll timesheets for captain’s pay.

3.6. The Board is authorized to impose sanctions for violations to the Ethics Act pursuant to RCW 42.52.360. The Board has set forth criteria in WAC 292-120-030 for imposing sanctions and consideration of any mitigating or aggravating factors. It is a mitigating
factor that [redacted] believed that all returning captains were guaranteed captain's wages for any work performed. (WAC 292-120-030(4)(e)).

Section 4: AGREED ORDER

4.1. [redacted] will reimburse the Board for two hundred fifty dollars ($250.00) investigation fees. [redacted] will also repay one thousand five hundred dollars ($1,500.00) to DOT for overpaid wages. [redacted] also agrees to comply with all terms and conditions of this Stipulation and Order and commits no further violations of chapter 42.52 RCW. The reimbursement costs of $250 is payable to the state Executive Ethics Board within forty-five (45) days of approval of this Stipulation and Order by the Board.

4.2. The $1,500 for overtime wages is payable to the Washington State Department of Transportation and which shall be delivered to the Executive Ethics Board within forty-five (45) days of approval of this Stipulation and Order by the Board.
