CONCLUSIONS AND ORDER

I. STIPULATION

THIS STIPULATION is entered into under WAC 292-100-090(1) between the Respondent, and Board Staff of the WASHINGTON STATE EXECUTIVE ETHICS BOARD (Board) through SUSAN HARRIS, Executive Director. The following stipulated facts, conclusions, and agreed order will be binding upon the parties if fully executed, and if accepted by the Board without modification(s), and will not be binding if rejected by the Board, or if the Respondent does not accept the Board’s proposed modification(s), if any, to the stipulation.

Section 1: PROCEDURAL FACTS

1.1. On April 26, 2005, the Executive Ethics Board received a referral from the State Auditor’s Office (SAO) alleging that an employee of the State of Washington, Department of Social and Health Services (DSHS), may have violated state law when she used state resources, including the state computer, Internet, time and e-mail for non-work related purposes. The Board reviewed this referral and issued a complaint on January 13, 2006.

1.2. The Board is authorized under RCW 34.05.060 to establish procedures for attempting and executing informal settlement of matters in lieu of more formal proceedings under the Administrative Procedures Act, including adjudicative hearings. The Board has established such procedures under WAC 292-100-090.
1.3. understands that if Board staff proves any or all of the alleged violations at a hearing, the Board may impose sanctions, including a civil penalty under RCW 42.52.480(1)(b) of up to $5,000, or the greater of three times the economic value of anything received or sought in violation of chapter 42.52 RCW, for each violation found. The Board may also order the payment of costs, including reasonable investigative costs, under RCW 42.52.480(1)(c).

1.4. recognizes that the evidence available to the Board staff is such that the Board may conclude she violated the Ethics in Public Service Act. Therefore, in the interest of seeking an informal and expeditious resolution of this matter, the parties agree to entry of the stipulated findings of fact, conclusions of law and agreed order set forth below.

1.5. waives the opportunity for a hearing, contingent upon acceptance of this stipulation by the Board, or her acceptance of any modification(s) proposed by the Board, pursuant to the provisions of WAC 292-100-090(2) which provides in part:

The board has the option of accepting, rejecting, or modifying the proposed stipulation or asking for additional facts to be presented. If the board accepts the stipulation or modifies the stipulation with the agreement of the respondent, the board shall enter an order in conformity with the terms of the stipulation. If the board rejects the stipulation or the respondent does not agree to the board's proposed modifications to the stipulation, the normal process will continue. The proposed stipulation and information obtained during formal settlement discussions shall not be admitted into evidence at a subsequent public hearing.

1.6. If the Board accepts this stipulation, the Board will release and discharge from all further ethics proceedings under chapter 42.52 RCW for matters arising out of the facts contained in the complaint in this matter, subject to payment of the full amount of the civil penalty due and owing, any other costs imposed, and compliance with all other terms and conditions of the agreed order. in turn agrees to release and discharge the Board, its officers, agents and employees from all claims, damages, and causes of action arising out of this complaint and this stipulation and agreed order.
