No. 2012-49

Respondent.

STIPULATED FACTS,
CONCLUSIONS AND ORDER

I. STIPULATION

THIS STIPULATION is entered into under WAC 292-100-090(1) between the Respondent, LORRI GIFFORD, and Board Staff of the WASHINGTON STATE EXECUTIVE ETHICS BOARD (Board) through MELANIE DeLEON, Executive Director. The following stipulated facts, conclusions, and agreed order will be binding upon the parties if fully executed, and if accepted by the Board without modification(s), and will not be binding if rejected by the Board, or if the Respondent does not accept the Board’s proposed modification(s), if any, to the stipulation.

Section 1: PROCEDURAL FACTS

1.1. On November 9, 2012, the Executive Ethics Board (Board) initiated a complaint alleging that Lorri Gifford, E-911 Program Manager for the Emergency Management Division (EMD) of the Washington Military Department (WMD) may have violated the Ethics in Public Service Act by using state resources for personal gain.

1.2. The Board is authorized under RCW 34.05.060 to establish procedures for attempting and executing informal settlement of matters in lieu of more formal proceedings.
under the Administrative Procedures Act, including adjudicative hearings. The Board has established such procedures under WAC 292-100-090.

1.3. Lorri Gifford understands that if Board staff proves any or all of the alleged violations at a hearing, the Board may impose sanctions, including a civil penalty under RCW 42.52.480(1)(b) of up to $5,000, or the greater of three times the economic value of anything received or sought in violation of chapter 42.52 RCW, for each violation found. The Board may also order the payment of costs, including reasonable investigative costs, under RCW 42.52.480(1)(c).

1.4. Lorri Gifford recognizes that the evidence available to the Board staff is such that the Board may conclude she violated the Ethics in Public Service Act. Therefore, in the interest of seeking an informal and expeditious resolution of this matter, the parties agree to entry of the stipulated findings of fact, conclusions of law and agreed order set forth below.

1.5. Lorri Gifford waives the opportunity for a hearing, contingent upon acceptance of this stipulation by the Board, or his acceptance of any modification(s) proposed by the Board, pursuant to the provisions of WAC 292-100-090(2) which provides in part:

The board has the option of accepting, rejecting, or modifying the proposed stipulation or asking for additional facts to be presented. If the board accepts the stipulation or modifies the stipulation with the agreement of the respondent, the board shall enter an order in conformity with the terms of the stipulation. If the board rejects the stipulation or the respondent does not agree to the board's proposed modifications to the stipulation, the normal process will continue. The proposed stipulation and information obtained during formal settlement discussions shall not be admitted into evidence at a subsequent public hearing.

1.6. If the Board accepts this stipulation, the Board will release and discharge Lorri Gifford from all further ethics proceedings under chapter 42.52 RCW for matters arising out of the facts contained in the complaint in this matter, subject to payment of the full amount of the civil penalty due and owing, any other costs imposed, and compliance with all other terms and conditions of the agreed order. Lorri Gifford in turn agrees to release and discharge the Board,

LORRI GIFFORD – 2012-049
its officers, agents and employees from all claims, damages, and causes of action arising out of this complaint and this stipulation and agreed order.

1.7. If this Stipulation is accepted, this Stipulation and Order does not purport to settle any other claims between Lorri Gifford and the Washington State Executive Ethics Board, the State of Washington, or other third party, which may be filed in the future.

1.8. If this Stipulation is accepted, this Stipulation and Order is enforceable under RCW 34.05.578 and any other applicable statutes or rules.

1.9. If the Board rejects this stipulation, or if Lorri Gifford does not accept the Board’s proposed modification(s), if any, this matter will be scheduled for an administrative hearing in front of the Board and Lorri Gifford waives any objection to participation by any Board member at any subsequent hearing to whom this stipulation was presented for approval under WAC 292-100-090(2). Further, Lorri Gifford understands and agrees that this proposed stipulation and information obtained during any formal settlement discussions held between the parties shall not be admitted into evidence at a subsequent public hearing, unless otherwise agreed by the parties.

Section 2: FINDINGS OF FACT

2.1. Ms. Gifford was an Emergency Management Specialist Program Manager, with the EMD for the WMD for all times pertinent to this investigation.

2.2. In the spring of 2010, the WMD network servers were becoming overloaded and in May of 2010, WMD’s IT department conducted an audit of the server to determine the cause of the problem. WMD discovered that the servers contained a large amount of stored files, many of which were non-work related. It appeared that EMD personnel were the main violators.

2.3. EMD Assistant Director Tim Clark sent an email to all EMD personnel on August 20, 2010 advising all EMD personnel to remove all personal, non-work related files from their computer by August 25, 2010.
2.4. In January 2011, the network server was still having operational difficulties due to large files still being stored on it. On January 13, 2011, IT conducted a second audit of the network servers. During this audit, EMD management requested IT to obtain screen shots of inappropriate non-work related information stored on their workstations and network servers.

2.5. On March 27, 2012, the EEB staff requested documents from WMD. A review of the files from a January 19, 2011 workstation audit showed that Ms. Gifford violated RCW 42.52.160, when she used her state issued computer for her personal benefit. Some examples of her misuse include:

Some examples of the non-work related sites are listed below:
