BEFORE THE WASHINGTON STATE EXECUTIVE ETHICS BOARD

In the Matter of: Forrest Rodgers Respondent. No. 2016-058 STIPULATED FACTS, CONCLUSIONS OF LAW AND AGREED ORDER

THIS STIPULATION is entered into by Respondent, FORREST RODGERS, and Board Staff of the WASHINGTON STATE EXECUTIVE ETHICS BOARD (Board) through Kate Reynolds, Executive Director pursuant to chapter 42.52 RCW, chapter 34.05 RCW, and WAC 292-100-090(1). The following stipulated facts, conclusions of law, and agreed order will be binding upon the parties if fully executed, and if accepted by the Board without modification(s), and will not be binding if rejected by the Board, or if the Respondent does not accept the Board’s proposed modification(s), if any, to the stipulation. This stipulation is based on the following:

A. STIPULATED FACTS

1. On July 18, 2016, the Executive Ethics Board (Board) received a complaint referred by the State Auditor’s Office (SAO) alleging that Forrest Rodgers (Mr. Rodgers), former Executive Director for the Eastern Washington State Historical Society (Society), Northwest Museum of Arts and Culture (MAC), may have violated several chapters of the Ethics in Public Service Act in actions that he made regarding the MAC and the MAC Foundation (Foundation), a non-profit organization. There were also allegations of special privilege provided to the Spokane School of Arts (SAS) and the improper use of state resources.

2. Mr. Rodgers was initially hired as the Executive Director for the MAC in August 2011.
3. Mr. Rodgers indicated in his response to Board staff that in December of 2011, the CEO of the MAC retired. Prior to her retirement, she also served as the Executive Director of the Foundation. When she retired he was designated the Executive Director of the Foundation without compensation.

4. Mr. Rodgers told SAO investigators that he supervised the state employees of the MAC, the non-state employees of the Foundation, as well as MAC and Foundation contractors.

5. On October 6, 1999, the Society and the Foundation entered into an affiliation agreement. The agreement was reviewed and updated in June of 2008 by the MAC Board President and the Foundation President. In section II of the agreement, the MAC agreed to provide the Foundation the following services:

   i. Office space, including desk, chairs, computers, file cabinets, and other associated equipment to assist the Foundation in its activities.
   ii. Consumable office supplies, telephone services, postage, audiovisual and printing services.
   iii. Professional Staff services related to direct fundraising and financial accounting will be provided to support the Foundation activity. The specific positions and amounts of salary and benefits obligated to direct fund-raising and financial services will be identified in writing by the Foundation on an annual basis to the MAC.
   iv. The services provided to the Foundation by the MAC shall be services rendered by employees of the MAC.

6. Section III(b) of the agreement states that the services provided in Section II shall not exceed $75,000 per year.

7. Mr. Rodgers indicated in a response to Board staff that no MAC employee spent time or resources to perform work for the Foundation beyond the services allowed in the agreement.

8. On May 12, 2012, the MAC Board voted to terminate Mr. Rodgers as the Executive Director of the MAC in a 13-7 vote. Present at the meeting were members who are also on the Foundation Board; Sue Bradley (Ms. Bradley), Peter Moye (Mr. Moye), and Al Payne (Mr. Payne).
9. On May 17, 2012, the MAC Board President received a letter from attorneys representing Mr. Rodgers. The letter indicated that if Mr. Rodgers was not reinstated, he would file a lawsuit seeking five years of pay and compensation for the harm he had suffered as result of his termination totaling well over $750,000 and that he would proceed with litigation against the MAC and the offending Board members personally. On July 18, 2012, the MAC Board voted to reinstate Mr. Rodgers to his position as Executive Director with back pay.

10. Mr. Rodgers told SAO investigators that sometime after he was reinstated he was contacted by Mr. Payne, past MAC Board President (June 2013 –June 2014). Mr. Rodgers indicated that Mr. Payne told him the settlement the MAC Board agreed on did not include emotional distress and that Mr. Payne thought that he deserved it after what the Board had put him through. Mr. Rodgers told SAO investigators that Mr. Payne told him to come up with some type of compensation plan and he would present it to the new Board President, Mr. Moye. This conversation most likely occurred sometime in July 2014.

11. Mr. Rodgers drafted a performance-based bonus in which he was asking for a “stipend” of $750 a month for August 2012 through August 2014, totaling $18,000. This pay would be in addition to his regular salary paid by the state. In Mr. Rodgers’ request for a performance-based bonus he refers to WAC 357-28-300, which set out the limit on the amount an employee can receive for a performance-based bonus. Mr. Rodgers presented his written request to Mr. Moye on August 1, 2014.

12. Mr. Rodgers told SAO investigators that after he completed the request for a performance-based bonus he gave it to Mr. Moye. At that time, they both decided that the Foundation and not the MAC would pay the performance-based bonus of $18,000.
13. Mr. Payne indicated in his response to Board staff that he believes that the decision to ask the Foundation to pay the performance-based bonus was to avoid the complication of state rules on performance-based bonuses.

14. Mr. Payne indicated in his response to Board staff that he believes he was on the MAC Executive Committee at the time and that he introduced the motion to give Mr. Rodgers a $20,000 bonus. The motion was amended to $13,000 or $14,000 and approved by the MAC Executive Committee. Mr. Payne further indicated that he does not believe they were required to take it to the full MAC Board for approval but he believes they did and it was passed.

15. Mr. Moye told SAO investigators that at the December 2014 MAC Board meeting, he brought Mr. Rodgers' request for the performance-based bonus up to the MAC Board. After some discussion, it was decided to move the discussion into an Executive Committee meeting. In the Executive Committee meeting, it was decided that a sub-committee would be formed by Mr. Moye to make a recommendation back to the Executive Committee.

16. On December 17, 2014, Mr. Moye sent an email to all Executive Committee Members, minus Paul Bridge (Mr. Bridge), Board Treasurer. The email contained the recommendation of the sub-committee and asked each member to vote “yay or nay” on the recommendation. Nowhere in the recommendation document did it indicate that the money to pay for the performance-based bonus would come from the Foundation. In Mr. Rodgers’ request for performance-based bonus in the memo dated August 1, 2014, he indicated that the MAC should ask the Foundation for the funds to pay for the bonus.

17. On December 22, 2015, MAC Board Member Maureen Green (Ms. Green) told SAO investigators that she first became aware of Mr. Rodgers’ request for a performance-based bonus when it came via email and that the bonus was discussed in an Executive Committee meeting around December 1, 2014. Ms. Green told the SAO investigators that in the meeting on December
1, 2014, Board President Mr. Moye suggested that a smaller committee be formed to look over Mr. Rodgers’ request.

18. Ms. Green told the SAO Investigators that the full Board never approved the payment for the performance-based bonus and the Executive Committee only approved the recommendation of $13,900 not the $21,262.59 that Mr. Rodgers received.

19. On December 29, 2015, MAC Board Member Patty Dicker (Ms. Dicker) told SAO investigators that she first became aware of Mr. Rodgers’ request at an Executive Committee meeting when Mr. Moye presented Mr. Rodgers’ request for a performance-based bonus. Ms. Dicker stated that Mr. Moye picked members to be part of a committee to review the request in more detail.

20. Ms. Dicker told SAO investigators that there was no discussion as to where the money was to come from to pay for the performance-based bonus. Ms. Dicker stated that the Executive Committee was never notified if the performance-based bonus was approved or not.

21. Ms. Dicker indicated that the recommendation was never brought before the full MAC Board for ratification, as required.

22. Tiffany Henderson (Ms. Henderson), MAC Financial Analyst, told Board staff that she was first hired by the MAC in July of 2014. She stated that right from the beginning she performed financial management work for the Foundation.

23. Ms. Henderson reported to Board staff that she was told by Mr. Rodgers that the bonus was approved and to issue the performance-based bonus check to him. She stated that Mr. Rodgers showed her his recommendation (August 1, 2014) to the MAC Board and the final vote of the Executive Committee approving it.

24. Ms. Henderson told Board staff that she told Mr. Rodgers that it would be a violation of state law for him to receive the bonus. She stated that Mr. Rodgers told her that the money was
being paid by the Foundation and not the state and that she and other employees could expect to be getting bonuses from the Foundation in the future.

25. Ms. Henderson indicated in a written response to Board staff that when Mr. Rodgers told her that she would be getting a bonus in the future, she felt that Mr. Rodgers was trying to pacify her by distracting her with a potential bonus.

26. Ms. Henderson told Board staff that Mr. Rodgers told her that the amount approved by the MAC Board ($13,900) was intended to be the net amount.

27. On December 31, 2014, Ms. Henderson sent an email to MAC President Mr. Moye. The email indicated that the approved amount to be paid to Mr. Rodgers was $13,900. The email indicated that she had a conversation with Mr. Rodgers about whether the amount was net or gross and Mr. Rodgers' had advised her that it was the net amount. Ms. Henderson indicated that they did not see in the documentation provided indicating whether the amount was net or gross. Mr. Moye replied in an email indicating that the amount was net and that the Foundation was to pay it.

28. On December 31, 2014, Ms. Henderson issued a check from Foundation funds to Mr. Rodgers for $13,900 plus taxes of $7,362.69 for a total of $21,262.59. Mr. Hawley approved and signed the check.

29. MAC employee #2 told SAO investigators that there is a Foundation Board Member, Ms. Bradley, who is also on the Board of the SAS. For several years, Ms. Bradley has been hosting a fundraiser event for the SAS at the MAC. The MAC opens its doors for the weekend for the craft show and does not charge an admission. MAC employee #2 further stated that MAC employees work these events, but all of the booth fees goes to the SAS and the MAC gets nothing in return and runs a deficit.

30. MAC employee #3 told SAO investigators that Ms. Bradley uses the MAC as her own personal playground for private fundraising.
31. In 2012, the SAS entered into an agreement with the MAC Foundation to have the MAC Foundation manage the SAS funds and investment. At the direction of Mr. Rodgers, the MAC Financial Analyst performed this task for the SAS.

32. The SAS, through Ms. Bradley, also made the request to have the MAC Foundation set up a checking account to be managed by the MAC Foundation. Ms. Bradley was on the MAC Foundation Board at the time of this request.

33. Mr. Rodgers told SAO investigators that he authorized MAC staff to manage the checking account and issue checks for quarterly distribution. Mr. Rodgers further stated that the MAC was not compensated by the SAS for those services.

34. On March 23, 2012, Mr. Rodgers and Lori Bertis, MAC Service Manager, held a meeting with Sue Bradley and Jodi Davis, of the SAS. The meeting was to discuss the upcoming SAS event “Yuletide 2012” that was to be held at the MAC. In this meeting, the SAS was advised that the normal fee to use the MAC for this type of event was $600 per day but that the normal fee would be waived. The free rent also included the use of the MAC’s six-foot tables and folding chairs and the tables that were already located in the classrooms. SAS would be responsible for trash removal.

35. Mr. Rodgers told SAO investigators that the Yuletide event only benefited SAS financially but the MAC got some benefit through exposure.

36. Mr. Rodgers told the SAO investigator that the SAS was not charged a rental fee for the 2012 event but was charged for the event in the following years.

37. The SAS held the Yuletide event in 2013, again the normal fees were waived, and MAC staff assisted in the event.

C. AGGRAVATING AND MITIGATING FACTORS

In determining the appropriateness of the civil penalty, the Board reviewed the criteria in WAC 292-120-030. In the matter at hand, it is aggravating factors that these types of violations significantly reduce the public respect and confidence in state government employees, they were continuing in nature, Mr. Rodgers was in a position of executive management, and Mr. Rodgers benefitted financially as result of these violations. In the matter at hand, it is a mitigating factor that Mr. Rodgers was terminated from his state position and is no longer a state employee.

Forrest Rodgers in turn agrees to release and discharge the Board, its officers, agents and employees from all claims, damages, and causes of action arising out of this complaint and this stipulation.

8. If the Board accepts this stipulation, it does not purport to settle any other claims between Forrest Rodgers and the Washington State Executive Ethics Board, the State of Washington, or other third party, which may be filed in the future.
